Voices a—rise! Come let his praise fill the skies;

B<sup>b</sup> (G) F/A (D) C (A) **turn**

praise him in glad ador—a—tion.

Praise to the Lord, who has governed creation all-purely,  
raises you up on the wings of the eagle securely.

Have you not seen? All you have needed has been  
met by his favour so surely.

Praise to the Lord, who inhabits each breath that he lends us:  
fearfully, wondrously made, yet in love he befriends us.

In good or ill, changeless, each promise fulfil;  
wings of his mercy extends us.

Praise to the Lord, who gives honour and blessing increasing;  
lavishes rivers of love from the heavens unceasing.

Ponder anew all the Almighty can do,  
freely his pardon releasing.

Praise to the Lord, O let all that is in me adore him!

All that has life and breath, come now with praises before him.

Angels on high, mountain and ocean and sky

shout the Amen! We adore him.
