 Quaking earth adds to the sound

 of Heaven's champion, victory-bound.

 The darkest day, and deadest night,

 the long-awaited show of might!

Shaken, thinking about you,
Am Em B
shaken, standing at your cross;
Em D/F# G
shaken, when I feel your nearness,
Am C B Em
shaken, when I feel your, when I feel your love.

Arms stretched out, you're on the run
 to freedom Jesus' blood has now won.
 The waters part, the storms will cease
 as Spirit power is released.

Shaken...

Lifted hands, sword-bearers' shouts
 are pushing onwards, destroying doubt.
 The nations tremble, mountains thrown,
 as Father's awesome love is shown.

Shaken...

SHAKEN
