G D/F# G
With every dawning of the day,
Am⁷ Em⁷ D
awakens mercy, blazing bright,
C D/F# G
for Love has come to show the way;
Am⁷ Em D G
it shines an ever-lasting light.

C D C/G G D/G G
Your name will last for-ev-er,
C Dsus⁴-D C/G G D/G G
your pow'r is as strong to-day as it always has been,
C Dsus⁴-D Em⁷ A⁷
your word holds it alto-gether,
C Am⁷
your love shining over me,
Am/D [Gm⁷ G/B C⁷ x₄]
shining over me.

Like stars across the Milky Way,
your children glimmer in the night:
they raise a song to watch and pray,
and see the shadows put to flight.

Your name will last forever...

WITH EVERY DAWNING OF THE DAY

page 2 of 2

When darkness seems to hide your face,
where fear creeps in to grip the soul,
O Morning Star, reveal your grace:
your mighty arm is in control.

Your name will last forever...

The sun will one day cease to shine,
its glowing embers fade to grey,
eclipsed by glory all-divine:
the Son of God shines like the day!

Your name will last forever...
